

## Laurel Pendle Business Consulting Services

Our mission is to help successful business owners get to the root cause of what is blocking the flow of creating additional **visibility, scalability and profitability**. We guide struggling, over-extended business owners, entrepreneurs and leaders from strategy to implementation so you can crush desired goals, create a clear vision, and achieve maximum return on investment.

We create successful **strategic plans, targeted roadmaps** and reliable **Sales + Marketing + PR solutions** to help grow and promote your brand. We work behind the scenes to save you time and money, so you can do what you do best! Remember, it's all about YOUR needs, capacity and budget! Think of LPBC Services as an extension of your brand and growing team.
